

WELCOME TO THE EXHIBITIONIST BAR!

Our cocktail menu is inspired by the major exhibition currently on display. Sit back, enjoy the view and let our team delight you!

Step into the untamed and awe-inspiring Gold Coast hinterland, with landscape visions that enchant and inspire in unlikely ways as Robinson's work transforms HOTA Gallery into a space of energy, vibrancy, and quiet power in an exploration of *Lyrical Landscapes: The Art of William Robinson*.

In addition to our wines by the glass, we also have an extensive wine list from Palette available on request. The list contains a wide selection of wines made by attentive winemakers and growers working with sustainable, minimal intervention, organic or biodynamic practices.

UNDERGROUND FLAVOURS

The natural wonders of the rainforest begin with intricately designed networks of strong roots, creating the foundation for all trees sweeping the heavens or shrubby nestled between the surrounding organic giants. Underground Flavours takes the rustic, sometimes sweet, sometimes bitter, tastes and scents emanating from the earthy, moss laden walkways and harnesses their quiet energy to create warm, satisfying, and grounding cocktails.

LOW LYING PERENNIALS

Beyond the roots and beneath the fruits prospering at the highest points of the rainforest, the framing of the ecological wonders begins to form. An awe-inducing maze of thriving, thumping, and bustling rhythms create a window to forgotten worlds. Low Lying Perennials consumes the mixture of herbs, flowers, fragrant fruits, and dependable ladders connecting the earth and clouds. The freedom of variety creates a rich assortment of drinks, celebrating the connection between the start and finish of our natural journey.

UP IN THE CANOPY

The trophies resting upon the stabilising strength of Underground Flavours and connecting greenery of Low Lying Perennials sit like crowns in the clouds. Harnessing the sunshine and developing depths of flavours not seen beyond the boundaries of the rainforest. Up in the Canopy is the final phase of our journey through the lands inspiring the works of William Robinson. Celebrate the fruits atop the trees with sweet, wonderfully complex, and lush cocktails. All stages of a journey are worthy of celebration, but there is nothing sweeter than what's waiting at the top.
