

## WELCOME TO THE EXHIBITIONIST BAR!

Our cocktail menu is inspired by the major exhibition currently on display, *Art Mixtape: Yours for Summer*. Sit back, enjoy the view and let our team delight you!

A Mixtape is often intended as a gift, a collection of your favourite songs in a tape, a form of emotional self-expression or to convey a message such as a declaration of love for your high-school crush.

Here is our *Cocktail Mixtape: Ours for Summer*. Taking the lead from the exhibition, a mash-up of summers past and present

Side A is our team's favourite drinks, flavours and inspirations, reimagined into four original cocktails.

Side B is a collection of four cocktails from international legends, our favourite movers and shakers in the world of bartending.
